A. Comment on the labs and/or lab instructor in this course B. Do you have any comments regarding the questions on the questionnaire itself? Please comment on any aspect of the lab and/or instructor's teaching that you think important and which was not covered in the questionnaire.

=====
A. I thought Mr. Lanyi was an excellent lab instructor. He explained the concepts clearly and concisely and was always available to help. I would not have done well in this course without him. Great instructor! Funny, nice, organized, and cared about the students doing well.
B. N/A.

A. It would be nice if we could receive our lab assignments a bit earlier. Other than that, I found this lab to be very useful!

A. Awesome instructor, labs were super helpful to clarify any questions that I had.

A. The labs were a great insight to the upcoming test.

A. - The questions covered in the lab were really very helpful in putting the concepts to practice and preparing for the exam. - The course and the lab was very fun and I really enjoyed both of them!

A. Found the lab to be very helpful to the course. Michael set it up in an effective way to supplement lecture and help with exams.

A. Mike made this course fun and interesting.

A. It's quite good that the lecture instructor and the lab instructor is the same instructor.
B. /

A. Hilarious and entertaining as well as extremely helpful.

A. Need to post the questions on WebCT rather than e-mailing them.

A. I enjoyed this course alot. And would take this instructor again and again.

A. I am taking Macroeconomics with this instructor next semester because he is good.

A. I like doing practice exams in labs, though it would be better to mix it up once in awhile, bring in something new.

A. Lab was extremely helpful for understanding material and preparing for exams. Lab Questions handed out in advance through e-mail. Material presented in an easy to understand manner.

A. Only complaint is that he would send the practice questions for the lab at the last minute, and this didn't give us enough time to look over them before going to the lab.

A. Usually I miss labs, but Michael made each class interesting that made me want to attend.

A. Relevant materials and extra help was offered during labs. This ensured a much better understanding of the topic taught and more opportunity to prepare for forthcoming exams. The Labs as well as the lab instructor was extremely helpful.

A. Labs were very helpful preparation for all exams.

A. Helped out for reviewing recent chapters. Good preparation for tests.

A. He is one of the most interesting instructors I have ever seen. His lab really made me think about the material which I have learned in the class.

A. Useful in preparing for Midterms and Finals, he went through very similar questions to what would be on the tests, and showed us how to solve the problems.

A. The labs are a great summary of chapters and it is a really good studying tool. Especially the questions. The only thing I think you should do is get the questions out earlier so we have time to do the questions then review.

B. Nope.
