=====

- A. What aspects of the course and/or instructor's teaching are good and should be retained?
 - B. Which aspects need improvement? What suggestions do you have for such improvements?
 - C. Do you have comments regarding the questionnaire itself? Please comment on any aspect of the course and/or the instructor's teaching that you think important and which was not covered in the questionnaire.
- =====

- A. The instructor was always well prepared. His combination of powerpoint and projector slides was easy to understand and made learning the material easier. The instructor also had a great sense of humor.
- B. I really don't have any suggestions on which to improve. The course was great.
- C. No.

-
- A. Mr. Lanyi knows the material extremely well, and tries very hard to keep people's attention in this dry subject.
-

- A. His Attitude towards Economics should be kept.
 - B. Explanation of important ideas need to be better.
-

- A. The jokes and stories and use of slides and written notes.
-

- A. To the point, no busy work.
-

- A. I love his teaching style. Keep the humor it helps us remember.
 - B. The Powerpoints need improvement. They are not completely clear all the time and are a bit dull.
-

- A. Going from the overhead graphs and relating them back to the powerpoint slides.
 - B. Getting the point across just with one sentence instead of beating around the bush.
-

- B. Some marks allotted for assignments or labs may be useful, rather than full weight of the course on exmaination.
-

- A. Make the course interesting. Well prepared!
 - B. No. Not right now.
-

- A. This is my second class with you and you give me a very clear understanding of the material. At the beginning of the semester, your introduction to the course along with how you wish for people not to fail really sets your class aside from many other classes I've taken. As a student, I feel like I am capable of doing this class.
-

- B. There should be less multiple choice questions and more short answer.
-

- A. Good presentation.
- B. Instructor should follow more the power points slides presentations. It would help better if he used the examples and graphics on the text book.
- C. No.
