A. Comment on the labs and/or lab instructor in this course B. Do you have any comments regarding the questions on the questionnaire itself? Please comment on any aspect of the lab and/or instructor's teaching that you think important and which was not covered in the questionnaire.

A. Michael is an effective instructor. I wish there would've been more teaching instead of just going over practice questions because Dr. Mueller goes through material so quickly its hard to keep up and it would be helpful for concepts to be reviewed.

A. Instructor has a sense of humour which makes Economics as fun as it could be.

A. No comment, everything is fine!
B. NO.

A. Lab instructor was extremely helpful in the preparation for exams. He covered all required material and prepared lab questions that reflected the exam material. I enjoyed going to his labs.
