A. Comment on the labs and/or lab instructor in this course B. Do you have any comments regarding the questions on the questionnaire itself? Please comment on any aspect of the lab and/or instructor's teaching that you think important and which was not covered in the questionnaire.

=====
A. Labs were VERY helpful since professor didn't explain anything.
B. The formula sheet really helped me alot since the book had them in words which were confusing.

A. Lanyi is awesome.

A. I find the lab session very useful in preparing for exams and understand more clearly on the materials taught. The Part I like most is where the lab instructor puts an explanation after each answer in the multiple choice questions he sends us.

THANKS!

A. Lab instructor's personality gave the course more interest. Most entertaining.

What was extremely helpful was the going through of multiple choice questions. Helped a lot on tests.

A. Lab instructor was great and had good teaching strategies. Practice multiple choice questions were very helpful and prepared me for the midterms.

A. Lab is quite helpful.

A. PROS - Made labs enjoyable - Understood the material and was able to relate it to more mainstream examples CONS - Sometimes sent assignments late enough so that there was not sufficient time to complete them.
