A. Great instructor, seems knowledgeable about material. He goes through the Q's a little to fast though. It'd be nice to have more time w/ each example.

-----  
A. Lab Instructor is very knowledgable and tries his best to explain the

material. Enjoyed labs very much. His English is not very strong but he tries his best and is able to get his point across effectively. He should've done some questions to help with the assignments. Didn't find that many questions helpful for the assignment questions.
