

UN RESOLUTIONS TARGETING ISRAEL AND THE PALESTINIANS

Israel is the target of at least 65 UN Resolutions and the Palestinians are the target of **none**.

Aside from the core issues—refugees, Jerusalem, borders—the major themes reflected in the U.N. resolutions against Israel over the years are its unlawful attacks on its neighbors; its violations of the human rights of the Palestinians, including deportations, demolitions of homes and other collective punishments; its confiscation of Palestinian land; its establishment of illegal settlements; and its refusal to abide by the U.N. Charter and the 1949 Fourth Geneva Convention Relative to the Protection of Civilian Persons in Time of War.
