TO: Michael Lanyi
FROM: Gord Myers, Chair
RE: Evaluations 1064 ECON 210

I have reviewed the student evaluations for all the teaching assistants during the 1064 semester and am pleased to see that you have received an evaluation of 3.00 or better. Effective teaching at the undergraduate level is a high priority of the department. I appreciate the efforts that you have made toward this goal.
Keep up the good work.
